

# SAFETY PRECAUTIONS AT THE FAIR

## Hygiene

### Face mask

The use of face masks is NOT mandatory. However, we will provide FREE face masks at the entrance for those who do want to make use of this.

### Disinfection and cleaning

We will place disinfectant dispensers at all essential points throughout the trade fair. Regularly touched surfaces will be cleaned more frequently.

### Sanitary facilities

Our sanitary facilities will be cleaned more often than usual. During cleaning the facilities will be temporarily closed. We will ensure 1.5 meters distance throughout the facilities.

## Distancing regulations

### Expansion of the floor space

We will increase the size of the floor space for the event to ensure the necessary safety distance.

### Wider aisles

The aisle widths will be adapted to enable participants to move around freely and keep 1.5 meters distance.

## Stands

### Stand design

Distancing rules also apply to the stands. To ensure safety stands will be designed accordingly.

### Disinfection at the stands

Disinfectants will be provided at each stand. Surfaces will be cleaned regularly respectively after each business meeting.

## Organisation

### Monitoring visitor flow

To ensure a minimum space of 10 sq.m per person we will closely monitor the flow of visitors and if necessary take measurements accordingly.

### Pre-registration only

All trade fair visitors have to register in advance. Registration at the fair is not possible. Scanning of tickets will be done contactless.

## Services

### Catering

Our food service partner has developed a comprehensive concept for hall gastronomy. This includes measures such as contactless payment.

### Medical care

Qualified medical care is available on site at all times.

### Your stay in Eindhoven

Hotels and restaurants are open for business. They are obliged to follow all hygiene and safety regulations as prescribed by the National Institute for Public Health. Please note that some limitations may apply and reservations have to be made in advance.
